In applying for a retail firework permit you agree to comply with city ordinance as well as comply with all state regulations regarding the sale, storage, and manufacture of fireworks.

Fire inspector will inspect fireworks stands prior to each fireworks season, and at any time while fireworks are being sold. The Fireworks retailer must give permission to fire inspector to enter property for purpose of inspection, plus random inspections by appointment. Permit is revocable for violation of city ordinance or state law.

Section 1:

FIREWORKS:

The fee for a "sellers permit" for the sale of fireworks shall be \$250.00 for each seller's permit, and \$200.00 Fee for Fire Marshal Building Inspection plus \$25.00 for each additional stand payable in advance.
